1953 International Grand Champion Bull  
Senior Herd Sire at Far Reach Ranch

**28 BULLS      37 FEMALES**

**SELL IN THIS SALE**

# THE FAR REACH STORY

All who attended the 1953 International will never forget the thrill of watching Al Darlow, head of the animal husbandry department at Oklahoma A and M, slap Viking 4th on the back to make him the 1953 International grand champion bull. Nor will they ever forget this bull stepping into the International sale ring and selling for \$10,000.

Budge Mead and Dr. Griffin had come to the International for the express purpose of buying the best bull there. They went home with the champion . . . the first International grand champion bull of any breed ever to come to Florida. However, this was not the start of the Far Reach herd. For three years Budge Mead had carefully selected top females from the breed's outstanding auctions and dispersions. Among others, he was the largest buyer at the dispersions of the good Metz and Swanson Iowa herds. The same vision and careful planning that made Far Reach ranch one of the most modern and practical cattle set-ups in the South, went into the selection of the herd.

This occurred at a time when Florida, numerically one of the nation's top cattle states, was just beginning to discover what the world's greatest beef improver, the Shorthorn, could do for their industry. The large Far Reach Shorthorn herd, which is maintained on grass the year around, provided a concrete demonstration of how well our breed will do in Florida. Just as important, it is now providing a source of supply where Shorthorn producers can select cattle raised under Southern conditions.

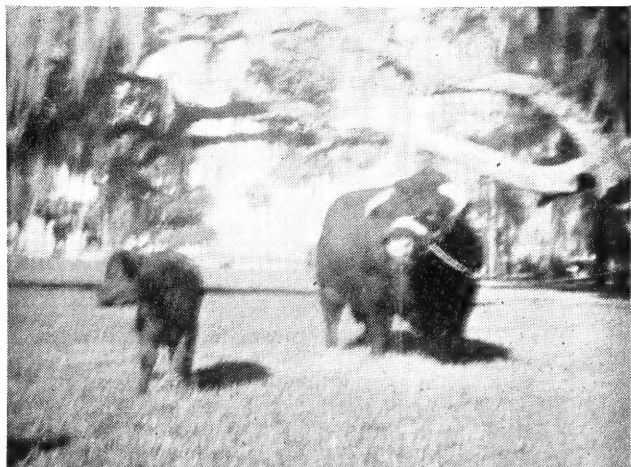

**The Far Reach herd is handled completely in the open on pasture the year around. The conception and calving record is excellent.**

The last time I visited Far Reach, I saw all of the sale cattle. With the exception of one bull, every one was running outside and being fed together from a common bunk. The fifteen oldest bulls were rustling together in a grassy ten acre lot. A dozen others were in a similar lot. It reminded me of the range bull projects the American Association formerly held.

You are coming to Far Reach expecting to see quality . . . and you will not be disappointed. You will also see a great International champion. Despite the fact that he settled some 60 cows in 1954, he still looks like a champion. His calves are excellent. There will be a dozen or more by sale day. Heifers bred to him will be mighty good property. He is just one of five outstanding bulls in service at Far Reach.

In 1953, Dr. D. W. Griffin, Chipley,

An amateur snapshot of Viking 4th and one of his first calves at Far Reach. This calf sells with his dam in the sale.

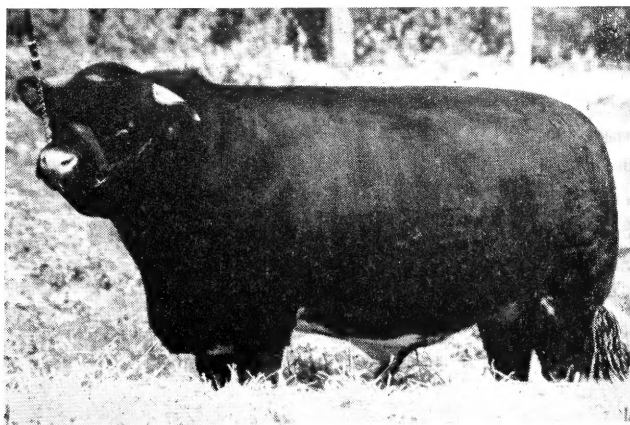

Florida, came to Far Reach as the manager. Not only did he bring with him a wealth of experience, but the entire Griffin herd, one of the breed's best, was purchased by Far Reach. Dr. Griffin pioneered the breed in Florida, establishing his herd in 1939. He has been a veterinary in Florida for over 30 years, and from 1930 to 1953 served as field veterinarian for the Florida Livestock Sanitary Board.

The Far Reach herd now numbers over 150 females of breeding age. Come to Florida in January, You will enjoy the climate, the people, and the Shorthorns.

#### DON LONGLEY

##### The Shorthorn World

Smooth, thick, deep bodied and with a great head. That's Viking 4th . . . and he passes it on to his calves. Shown here in the form in which he won the reserve championship of the 1952 National Shorthorn Show.

Viking 4th has been a great bull since he was dropped. In this catalog we have shown him at different ages. On the front cover he is shown in the form in which he won the grand championship of the 1951 Pacific International. At left he is shown at the time he was reserve champion of the 1952 National Shorthorn show. In the center spread you see him as he was at the time of the 1953 International. Above, and on page 6 he is shown at Far Reach.

The Ranch home at Far Reach.

## *Welcome to Far Reach . . .*

Since the inception of the Far Reach Shorthorn project, it has been our plan to work towards an annual sale. The herd is now large enough so that this event can be made up almost entirely of the top productions raised here at the ranch. While we do not believe in neglecting cattle, we believe that a purebred herd in a great commercial cattle state such as Florida, should be operated in a practical, unpampered manner, so that they will be ready to go to work immediately for their new owners. We are anxious for you to see how well our Shorthorns have done on year-around grazing.

The need for Shorthorn bulls and the potential demand for them in Florida is tremendous. Where such a condition exists, it is only natural that many outstanding purebred herds will be developed. Florida is rapidly approaching its goal of becoming one of the leading Shorthorn states.

Because we felt in the establishment of our basic herd, distance and shipping expense should not be a bar to obtaining exactly the females we wanted, we traveled a wide area. We have enjoyed the many fine people in the Shorthorn business met near and far, and look forward to meeting many more of you. It will be a great pleasure to have you with us at Far Reach.

Edwin B. Mead  
Owner

Dr. D. W. Griffin

Viking 4th—One of the most popular International grand champions of all time. Purchased by Far Reach after his victory at the 1953 International for \$10,000 in the International sale. Even more important than his great background and individuality is the fact that he is stamping every calf with his great depth, thickness, smoothness, head, and sturdy legs. No bull in the last decade has had a more illustrious show career. He was the grand champion bull of the 1951 and 1953 Pacific International at Portland, the toughest show west of the Rockies. He was the reserve champion of the National Shorthorn Show, San Francisco, 1952, and again reserve champion at San Francisco, 1953. His sire, Wheatland Viking, was purchased for \$7000 by Charles Lusk, Waller, Texas. He sired bulls that sold for \$2850 and \$2500 at the 1951 International. His dam Nanlouei Secret is now a member of the famous W. C. Anderson & Son, Iowa herd. She was the champion at the Pacific International as a junior calf. Prince Peter was a \$5000 son of the Perth champion Calrossie Prince Peter. Killearn Monarch 101st was the \$7500 top of the 1946 Gallinger sale. One-hundred fifty daughters are in the great Wheatland herd. Sons sold at Wheatland would easily total in six figures, and includes the \$5000 Wheatland Brigadier and the \$4200 Wheatland Monarch. Wheatland appears six times in his pedigree. **Thirteen females sell bred to Viking 4th, two more have calves at foot by him.**

Blackton Drambuie—One of the top sons of Crichton Drambuie, sire of the first prize junior get at the 1950 International and the \$5000 top selling bull of that year's International sale, Aberfeldy Model, now owned by Hi-Ho Farms. Calves by Crichton Drambuie have enabled Reford Gardhouse to become Canada's top money winner at the shows over the past three years. The dam is an outstanding imported cow. This bull will fill your eye. **Six females sell bred to him.**

Claymore Victory—His sire is a full brother to Claymore Prince Control, grand champion bull of the Denver National Western. Morlunda Prince Peter also sired several International first prize winners. He is a son of the Perth champion, Calrossie Prince Peter. The dam is an outstanding cow from the Arnold Bros. Victoria family. Claymore Victory is a good headed, deep bodied, rugged, smooth bull that is leaving excellent calves. A number of sale heifers sell well along in calf to him.

Jealous Shore King is low-down and wide, with a world of thickness and depth. His sire, Shore Acres King Achtoi, was reserve champion at the Illinois State Fair. His dam, Jealous Jane D 3rd, was bred in the great Arnold Bros. herd. They are known to have one of the best female herds in North America. Jealous Shore King was the reserve champion at the Central Florida Fair and Florida State Fair in 1954. Here is a bull that is bred to breed on and an individual that will appeal to the most critical.

**Peach Grove Goldfinder.** Grand champion, 1954 Florida State Fair, reserve champion, 1953 Louisiana State Show at Baton Rouge, grand champion 1953 Mississippi show and sale. Shown here in calfhood form. He sells as Lot 2.

Peach Grove Goldfinder—Grand champion at the 1954 Central Florida Fair and Florida State Fair at Tampa and grand champion bull at the 1953 Mississippi Shorthorn Show and Sale. Here is a low-set bull with very deep flanks, full quarters and an excellent set of legs. We have great faith in Peach Grove Goldfinder and have used him liberally before listing him in this sale. With the purchase of Viking 4th we had one more herd bull than we needed and so decided to offer this good bull. You will be able to see calves by him at the ranch. Goldfinder's Beau is one of the top sons of the 1941 International grand champion, Goldfinder's Champion.

Far Reach Royal Leader has the head of a sire and he has the bone and ruggedness of a sire. He has good spread to his rear quarters and he is level and true in his lines. His sire was bred in the great A. J. Marshall herd in Scotland. His dam, Hillcroft Blossom 4th, has another good red bull calf at side. Her sire produced the reserve champion female of the 1953 Kentucky National Futurity. We hope you will share our confidence in this good young bull.

Elmcrest Banker Count—This rugged, heavy-boned bull, straight and strong on his legs is the kind that produces the weight-for-age for which the breed is famous. His sire, Elmcrest Royal Banker and grandsire, the International grand champion Kelburn Banker Royal, both were great sires. If you want to breed dark red cattle, note that his pedigree has only dark colored ancestors. His dam is an excellent imported cow. This is the kind of a bull for a herd to sire the right kind of calves.

**Powgavie Flying Fortress.** The excellent imported bull in the Metz Bros., Iowa herd. Far Reach was the largest buyer in their dispersion taking 12 lots, many with calves at foot. Lots 14, 15, 16, 32, and 51 are out of these cows.

**Lot 14**

P A Merry Factor 2nd is a well developed, deep bodied, thick fleshed, good quartered bull that is in good flesh. His sire, Factor's Reward, was grand champion bull at the Southeastern Regional Show and Sale at Montgomery, Alabama, in 1948. He is well bred and is the kind that will produce money-making cattle. Bangs vaccinated.

**Viking IV**

## *Twenty-Eight Bulls*

Including both the grand champion and reserve grand champion of the 1954 Florida State Fair.

\* \* \*

Strong ages . . . 8 two years and over, 12 twenty to twenty-four months, 5 eighteen to twenty months, 3 under eighteen months.

\* \* \*

All but one . . . Florida raised . . . either bred at Far Reach, calved there, or who came to Far Reach as calves with their dams . . . raised in the open . . . rustling in groups of 12 to 15 to a common feed bunk. Rugged, weight for age bulls . . . the easy fleshing, good doing kind.

\* \* \*

Bulls backed by the kind of ancestry that insures good calves.

**1953 International  
Grand Champion  
Bull**

## *Thirty-Seven Females*

15 females bred to the 1953 International grand champion Viking 4th, or with calves at foot by him. 6 bred to Blackton Drambuie. 8 bred to Claymore Victory or with calves at foot by him. 4 bred or with calves at foot by Peach Grove Goldfinder (Lot 2) or Connieland Goldfinder.

\* \* \*

15 of the females were bred or calved at Far Reach.

In order to strengthen the offering and provide more females well forward in calf to Viking 4th and our other herd bulls, we picked 16 top young cows out of the herd, all of which have been in Florida for over a year.

5 top Polled Shorthorn heifers are bred to Viking 4th.

The reserve champion female at the 1953 Kentucky National Futurity sired by Aberfeldy Royal Leader and the grand champion female sired by Sunset Bounce 12th. Lot 29 is by Sunset Bounce 12th, Lot 8 is out of a dam by Aberfeldy Royal Leader.

Ida Red Rosewood is a show prospect that has all the qualifications of a brood cow. No herd has ever had enough of her kind. She is a top heifer from a top family. Look at the line-up of sires in her pedigree. Sunset Bounce 12th sired the grand champion female of the 1953 Kentucky National Futurity. Down through the years the Cruggleton families have made breed history and she will write a chapter in Shorthorn achievement because she is that kind. She was bred in October to Viking 4th, a great bull and a great sire. She carries a calf that would be impossible to value.

Red, William Garne

Pine Acres Augusta 4th is an outstanding daughter of Bapton Proud Prince, the bull that did so much for the Griffin herd. We liked this heifer when she was a calf and have grown to like her better every day since. She is the showing pattern that will be in the winning circle. She has a grand head, very deep bodied and thick all the way, short legs and well balanced. Any way you look at her she is very near perfect. This richly bred Augusta heifer comes from the great Cruggleton Proud Prince and Cruggleton Willingdon family on the sire's side, owned by the late A. J. Marshall, and the Aldsworth Augusta 6th on the dam's side from the Garne herd in Scotland. She sells mated to Viking 4th, the 1953 International champion, who is a champion all the way. This grand combination will found a great family for some farsighted cattleman. Bangs vaccinated.

Nonpareil Beauty Jane—A heifer that we are certain you will like. Beautifully balanced, very wide over the back and a beautiful head. She is a granddaughter of Edellyn Peerless Mercury and Cruggleton Bounce. What a potent blood combination has gone into the making of this top heifer! She was bred in November to Viking 4th, the 1953 International champion. What a royal pedigree that calf will have. Don't pass up this "two-in-one" combination and regret it when you start showing against these calves.

**Sandoon Captivator**, Grand champion bull 1948 Canadian National Exhibition. Sold as a two year old to Swanson Bros., Estherville, Iowa for \$3750. Sold in their dispersion at six years for \$2800 to A. David & Sons, Oviedo, Florida. We purchased 13 females in the Swanson dispersion. Lots 7, 32, and 50 are out of these cows.

S F Gwendoline 25th—What is the value of a good pedigree? It reveals volumes of helpful facts. It also reveals the planning of master breeders through the years. In this particular pedigree you will find such masterful breeders as the late A. J. Marshall and John MacGillivray. This fine cow is bred to Viking 4th, a universally admired bull. This beautiful young heifer is perfectly capable of producing the championship kind herself. Sandoon Captivator was the grand champion of the Canadian National Exhibition and sold for \$3,750 in the International Sale.

Scotston Bon'y Bro'd'ks 5th (222337)  
Red, William B. Robertson

Newallyn Bonny Broadhooks is a good dark-red cow with a grand bull calf at side, which proves her breeding ability. Out of an imported cow from the famed Scotston herd. We offer this cow and calf combination to provide positive proof of the producing ability of the cattle offered in this sale. This excellent calf at side, born October 29th was sired by Viking 4th, International grand champion 1953. Many of the shrewdest cattle judges have gone away from Far Reach to tell their friends that Viking 4th will do great things for the Shorthorn breed in the United States. He stamps great heads, big bone, substance, fleshing and quality on every calf.

Mayflower Maid—We doubt if you have many opportunities to buy a female representing a combination of the blood of the All-American favorite, Edellyn Royal Leader and the Perth champion, Calrossie Prince Peter. She speaks well for herself. Sweet headed, short legged and smooth. This heifer has promises of making a top brood cow. Her first calf should more than pay for her. Will be bred before sale day.

**FIVE CHOICE POLLED HEIFERS  
BRED TO THE \$10,000 1953  
INTERNATIONAL GRAND CHAMPION**

**VIKING 4TH**

There are many polled Shorthorn herds in the South. Think of what the blood of Viking 4th can do. That's why we purchased five beautiful half sisters by Willgrace Crown x . . . and you'll agree he is a good sire when you see these heifers, purchased specifically for offering Polled heifers bred to the \$10,000 International grand champion.

Far Reach Gypsy Maid is one of the favorite heifers here. She combines a beautiful head, balance and style. Her dam is a very short-legged, smooth cow and her sire, Elmcrest Master, is a son of the 1948 International grand champion. We only consented to sell this heifer because we know breeders are looking for top quality. She is bred right and built right. Sells open. Bangs vaccinated.

Far Reach Augusta 3rd—This is the favorite of nearly everyone who visits the herd. We wish we could keep her, but in order to make up the sale number we are including her in this auction. Her sire is the good red bull Connieland Goldfinder, champion at the Florida Shorthorn Show and Sale at Webster, 1954. We are retaining several of his daughters in the breeding herd. Britomac Edwin sired a first and a second prize heifer at the 1953 International. Sells open. Bangs vaccinated.

Far Reach Miss Ramsden is offered in this sale as evidence of the good cattle being bred here. We predict that she will do a lot of winning in the 1955 shows. Her sire, Connieland Goldfinder, was grand champion and top-selling bull at the Florida Shorthorn Show and Sale at Webster. This young heifer has an excellent head, smoothness, depth of body, plenty of bone and a perfect coat of hair. Here is just another one of those buying opportunities. Sells open. Bangs vaccinated.

Elmcrest Rosewood 21st—This royally bred heifer is a double granddaughter of the noted International champion Kelburn Banker Royal. Breeders that are fortunate enough to have the opportunity to buy Banker Royal females do not have to be told they thrive and are truly wonderful cattle. Bred to Claymore Victory, October 28th, whose first calves justify our confidence in him as a sire. See them, you'll want to own this heifer.

Achtoi Lady has all the qualifications that make Shorthorns popular. She comes from an outstanding family of top breeding cattle. Proof of this is her good dark-red bull calf at side. His sire, Claymore Victory is a half-brother to the sire of the dam of Viking 4th, the 1953 International grand champion. Here is your opportunity to buy a top female of modern type, the right conformation, backed by ancestry of known performance and a promising bull calf to go along with her. We plan to re-breed her before sale day.

Augusta Rosebud is an attractive light roan with good level lines and correct balance of conformation. She was the grand champion at the Mississippi Short-horn Show and Sale in 1953. She has a fine while bull calf at side by Connieland Goldfinder, the champion and high-selling bull at the Webster show and sale, November 6, 1954. Will be re-bred before sale day.

# **STANDARD GUARANTEE**

**OF**

## **AMERICAN SHORTHORN BREEDERS ASSOCIATION**

1. Proper care must be give by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs disease of the state or county into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

# *General Information*

**Time . . .** Saturday, January 22, 1955, starting at 12:30 p. m. at Far Reach Ranch near Mt. Dora, Florida.

**Guarantee . . .** All cattle will be sold under the standard guarantee of the American Shorthorn Breeders' Assn. printed elsewhere in this catalog.

**Transportation . . .** There are many competent truckers in the area and we will be glad to help you make arrangements.

**Health . . .** All of the cattle will be tested for T.B. and Bangs within 30 days of the date of the sale with the possible exception of under age heifers that will sell with their official vaccination certificates. Interstate health charts will be provided.

**Liability . . .** The guarantee and terms shall constitute a contract between Far Reach Ranch and the buyer of each lot. The sale manager, auctioneer or other members of the selling force are not responsible for the fulfillment of guarantees. Although every precaution will be taken to provide for the comfort and safety of those attending we cannot be responsible for any accidents that may occur. Accidents at cattle sales are rare, but every person must assume the risk of accident to himself. The clerk, auctioneers and sale manager were hired by Far Reach for specific tasks, promotional and clerical, and have no connection with the handling of the cattle or the condition of the premises.

**Terms . . .** Cash at the time of purchase.

**Hotels and Motels . . .** You can't travel anywhere in Florida without running into many good hotels or motels. If you would like us to make a reservation nearby please advise.

**Getting to the sale . . .** We will be happy to meet you in Orlando or Tampa if advised sufficiently in advance. Good plane and train connections to both of these points.

**Ranch phone . . .** Tavarer 192 Red.
